### BETH SANDERS: MY TOGETHER BAG EXPERIENCE

The last time the Pointe Women Together Bags were given out, I hosted two dinners utilizing the items in the bag. I invited some folks I knew well, a few I'd only briefly met and a couple I'd never met before. We had a variety of ages, some of us had been at Connection Pointe for years while others were brand new. It was a nice mix!

What made the evenings so special was the conversation. There were question cards in the Together Bag that prompted us to share ways we stayed connected to God and community. We shared where we struggled too, some with staying in the Word, while others felt great closeness with God even in the face of great loss. Tears were shed for one another's pains and laughter was shared as salve on wounds!

I believe we all left with a greater sense of community, new friends and a feeling of gratitude for both. I cannot wait to do it again!
