#MYCPSYORY

OUR SMALL GROUP

Our group is a family. We take time to celebrate each other in pregnancies, college graduation, grandchildren and other accomplishments. When there is a need in our group, we support through prayer, listening and leaning on each other. Recently, one person in our group was diagnosed with cancer, and another had a stroke. It has been a growing experience for all of us to see our friends continue to glorify God, even amidst the storm.

There has truly been something special about having an intergenerational group with members from age 27 - 76. The young people bring a new perspective and the older bring experience and knowledge. We all lead very different lives but have been called to the same mission and serve the same God.

Small group is a place for us to experience God through love and encouragement. But it is also a place for us to mature spiritually and become the people God desires us to be. Meet our small group!
