#MYCPSORY

It was common for us to feel lonely and isolated from US culture and from home. We were alone on holidays and missed important family events such as weddings, births, and sometimes funerals. I will never forget the joy I felt when I received a box from Connection Pointe! It was as if you were able to package up "home" and send it thousands of miles; reminding me that although I was far from loved ones, you were praying for my safety and ensuring I did not feel forgotten. I was especially touched by the hand-written letters from adults and children within the boxes of Girl Scout cookies. My fellow services members were also beyond grateful for the kind words and delicious treats.

The kindness of your thoughtful gifts, support, and prayers was felt for weeks, even months, after the cookies were consumed. These rather small gestures were grand in changing the pace during a mundane period and allowed us to laugh, and most importantly, reminded us why we serve. On behalf of my NAMRU-6 team mates and all the sailors, marines, soldiers, and airmen that you have touched through gifts and prayer; THANK YOU for your support!
