#MYCPSORY

Ms. Gordon is a first-grade teacher at Clarence Farrington Elementary. Through our Project: Classroom program, she is requesting Carpet Mark-Its. She expressed that having an easy way to find a place to sit on the carpet and learn is important and would be beneficial for her First Grade All-Stars.

For years, she has wanted a squared carpet where everyone has their own box to sit within while learning, but they are very pricey. She always used colored tape instead. It worked well, but took a lot of time for each student to find a spot where they are comfortable and ready to learn. These carpets will be a much easier way for students to quickly and comfortably find their spot and be ready for that day's lesson.

Ms. Gordon thanks you in advance for your generosity towards her and all of the Clarence Farrington Elementary teachers and staff!
