

RESTORED: OUR STORY

Week 1: Restored Identity

BIG IDEA

When we accept Jesus as the forgiver of our sins and the leader of our lives, we are restored back to God.

READ

Ephesians 1:6-7, Ephesians 1:14

DISCUSS

What does the following statement mean, "He adopted us so that we could tell others of God's plan to adopt them?"

How have you experienced God's grace through His Son and others?

PRAY

God, thank for Your willingness to adopt me as Your own. Help me to have eyes to see my family, co-workers, neighbors and classmates as You see them and share Your love with them this week
