

WEEK 2: RESTORED UNITY

BIG IDEA

To be restored, we are called to love God and love people.

READ

Ephesians 2:1-3, Ephesians 2:14

DISCUSS

What does it mean that we are each a restoration work in progress?

How is unity a reflection of what we believe?

PRAY

God, thank you that we find great unity with each other in our relationship with You. Help me to be united with others in Your truth. Help me to pursue unity that is found in You and help me to love You and others better this week.
