

RESTORED: OUR STORY

Week 6: Restored Respect

BIG IDEA

To be restored, we are called to love God and love people.

READ

Ephesians 6:1-3

DISCUSS

"Delayed obedience is disobedience." What does that mean?

Why does it honor God when we respect our family members?

PRAY

Lord, You know my situation and You know my circumstances. Help me to honor You by respecting my family members. Thank You for the grace that You have given to me and help me to share that with others in my family. May my respect, honor and love for You, point my family members toward You and Your grace. In Jesus' name, Amen.
